LIONS HEAR UNIVERSITY HEAD ON ASTRONOMY AT TUESDAY LUNCHEON

A very unusual program was had at the Cameron Lions Club luncheon Tuesday, when President H. Y. Benedict of Texas University delivered an address on astronomy. This learned man made his address so simple and entertaining that even so deep a subject as his was placed before his audience in a way that it could be comprehended. The talk was delightful in every respect and while he opened the minds of the listeners to the profound in his favorite subject, yet through his forceful illustrations and delightful comparisons all were able to grasp the gist of his lecture.

Serving to add pleasure to the luncheon were Miss Gladys Davis, pianist and vocal duets by Mrs. Harsha and Mrs. Nicholson with Mrs. Hurdle accompanist.

Graduates of the Texas University present as visitors were Judge J. A. Ralston, member of the first class to enter the university in 1883, Judge T. S. Henderson, member of the board of regents of the university, whom president Benedict classified as one of the regents who had done something for the university, Judge John Watson, Mrs. K. K. Robbins, County Superintendent, Judge Graham Gillis, Hon Jack Lewis and Hon. W. A. Morrison.

A PERSONAL WORD

I got hurt on the play and the Coach took me out of the game. They hit me hard. I always liked hard hitters. There is no zest in a battle when the foe is weak. They say I can't get back in the game during this quarter at all. So you see they tackled me powerful hard on that play.

These bodies of ours are frail things at best. Our obligation to medicine is measureless. Our doctors from their laboratories and scientific research are saving millions of mortals each year. But for anti-toxin I would now be somewhere pleading for a moratorium on the big debt. I am grateful.

A good doctor, a good nurse and kind friends close at hand and the faithful few of every mans life who cheer him on when he lies low, an ignoble casual of the fray. These have helped me over the hill. These I know to be good. Thanks.

J. B. WHITE, The Editor.

ENROLLMENT URGED IN RED CROSS ROLL

A nation-wide Roll Call for American Red Cross means relief for our home people as well as for others.

Response to the letters sent out by the local chairman, John C. Young, has been gratifying, but there are still a number of persons who have not yet sent in their enrollment fee.

It is important that this be done, as reports must be sent to headquarters at an early date.

Membership buttons should be returned if enrollment is not made.

County Recreational School In Session

The third annual Milam county Recreational School was in progress in Cameron Tuesday and Wednesday at the Baptist Sunday School annex, under the direction of the County Recreational Dinrector, Mrs. Kay Moore of Bryant Station. Mesdames Cecil Plate and Mabel Charles of Tracy were in charge, Tuesday during the absence of Mrs. Moore. Charades, plays and games were discusssed and greatly enjoyed during that session.

Wednesday, Mrs. Guido Gerbach of Bryant Station contributed an interesting talk on the campfire games and story telling. Miss Nada McAnulty, also of Bryant Station told of character building through recreation.

Most of the women's farm clubs of the county were represented during the meeting and fifty or sixty enthusiastic participants attended the sessions each day. It was the duty of the recreational directors of each club to attend the school in order that they might carry the teachings to their communities.

The aim of these schools is to promote recreational programs for the rural sections and during December each club will sponsor a community entertainment, plans for which will be made at meetings in the near future.

These sermons are not sensational, but are sober facts of the supreme life and work of Jesus. One who appreciates the finest art of living and who seeks perfection will want to examine the Christ of the ages.

Other services on Sunday as usual. We have a place for old and young, and we will give a real cordial reception to all. We believe in the integrity of our program, and invite you to share it with us. The week of prayer will be observed by the W. M. U. next week.

MOULTON COBB, EDITOR AT MISSION, MAY RUN FOR GARNER'S PLACE

The McAllen Press said editorially Sunday that Moulton Cobb, well known and aggressive editor of the Mission Enterprise, regarded by many as one of the outstanding weekly newspapers in Texas, is being groomed as a likely candidate to succeed Vice President elect John Garner as congressional representative from the Fifteenth Texas District.

Following is the editorial as appeared Sunday morning in McAllen paper:

"It has been suggested to us that none other than our friend Moulton Cobb, dynamic editor of the Mission Enterprise take a hitch in his belt and jump out on the track to make the race for congress as a successor to John Nance Garner. We believe if Moulton runs he'll get plenty of votes. For one thing he will work for the job because he's used that energy and enthusiasm on us recently demanding space for that Texas citrus fiesta of which he is publicity chairman. Cobb apparently has a good many friends down in these parts."

Cobb graduated from the University of Texas in 1926 with a bachelor of arts and bachelor of journalism degrees, serving in 1925 as editor of the Daily Texan, university newspaper, and in 1925 and 1926 as member of the university debating team.

Leaving the university he worked three years as city editor of the Bryan Daily Eagle and for the past three years has been editor of the Mission Enterprise. When telephoned this morning and asked if he would make the race Cobb was noncommittal. However, many of his friends feel certain he will run.

NOTICE!

DELINQUENT TAX PAYERS

We desire to give notice to all people who are now delinquent in tax payments that December 31, 1932, is the final date on which to make payment of delinquent taxes without penalty and interest.

Senate Bill No. 44 of the Third Called Session of the Forty-Second Legislature released all penalties and interest accrued on delinquent taxes due the state, county and sub-divisions provided the taxes are paid on or before December 31st, 1932.

We would also suggest for you rconsideration that the voters of Texas have adopted by an overwhelming vote in the recent general election House Joint Resolution No. 24 which provides in part: "Provision shall be made by the first Legislature for the speedy sale, without the necessity of a suit in Court, of a sufficient portion of all lands and other property for the taxes due thereon, and every year thereafter for the sale in like manner of all lands and other property upon which the taxes have not been paid."

We do not discuss the merits or demerits of the Summary Sales Law but state that the law has the support of a large majority of the citizens of Texas.

We urge every property owner to pay up all delinquent taxes not later than the last day of the year.

If the public schools of this state should close tomorrow—what would you do?

Respectfully yours,

DIZZINESS

relieved by Black-Draught

"I decided to take Thedford's Black-Draught, as I had been having bilious spells," writes Mr. Charles E. Stevens, of Columbus, Ind. "When I get bilious, I feel sleepy and tired and do not feel like doing my work. It is hard to tell how I feel, but I do not feel good. I get awfully dizzy. I know then that I had better take something. After I found how good Black-Draught is, that is what I have used. I guess it rids me of the bile, for I feel better — don't feel like I am dropping off to sleep every time I sit down. That, to me, is a very bad feeling."

Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

SOCIETY

MISS MARY LOUISE ELLIOTT TO BE BRIDE OF WILLIAM BARNETT OF LAMPASAS AT CAMERON, THURSDAY, DEC. 1, 1932

Mrs. John A. Smith was hostess to a beautiful party Friday evening November 25th at her home 601 East 15th street. The home was attractively decorated with autumn foliage for the occasion. Orange colored candles cast shadowy lights over the scene where tables were laid for 42 games. Tally pads and score cards were in keeping with the event, featuring sweetheart designs, announced the approaching wedding of Miss Mary Louise Elliott to Mr. William Barnett of Lampasas, December 1, 1932. This was greeted with surprise and many good wishes were extended to the bride-to-be.

At the close of the games, the guests were invited into the dining room where the table was laid with a beautiful center collection of fruit and autumn leaves with tall burning tapers in orange color standing at either end and a wedding bell was suspended from the chandelier. A delectable desert was served; at this time cupid's messenger announced that cupid was paging Mrs. William Barnett. Litle Dorothy Ann Broussard entered the room drawing Cupid's Express laden with beautiful gifts which were opened by the receiver, who thanked them in her own sweet way.

Those present at the delightful occasion were: Miss Mary Louise Elliott, the honored guest, Mr. and Mrs. M. G. Cox, Mr. and Mrs. J. W. Coleman, Mr. and Mrs. O. L. Kidd, Mr. and Mrs. Judd Davis, Mr. and Mrs. W. O. Newton, Mr. and Mrs. W. J. Watson, Mrs. T. A. Fisher, Mrs. Geo. Cay; out of town guests: Mr. and Mrs. Cecil Criswell of Buckholts, Mr. and Mrs. M. J. Under the direction of Miss Mollie Moore, the first reception room was attractively decorated with potted plants, handsome ferns and autumn foliage in tall pedestal and floor baskets, with autumn flowers lending a floral charm for the occasion which was in honor of Miss Mary Louise Elliott, who is to become the bride of William Wallace Barnett Thursday afternoon, Dec. 1, 1932, at the home of Mr. and Mrs. M. Mayfield, who were highly painted and dressed as women who were looking after their mid-week laundry, and hung many useful and attractive gifts on an improvised clothes line, creating much merriment.

Helped By Cardui

Here's the true story of how Cardui helped Mrs. H. E. Dunaway, of McComb, Miss., as written by herself:

"I was sick and rather discouraged. I was so weak and thin, I was not able to do my work as it should be done. This made me fret a good deal, and did not help my condition.

"I had pains across my back and lower part of my body. My nights were spent in rolling from one side of the bed to the other, hoping I would soon go to sleep. Then when morning would come, I would be just as tired as when I went to bed. A neighbor, seeing how badly I felt, told me to try Cardui. After I had taken one bottle, I was much better. I kept on taking Cardui, and I was stronger and slept much better at night."

LIONS HEAR UNIVERSITY HEAD ON ASTRONOMY AT TUESDAY LUNCHEON

A very unusual program was had at the Cameron Lions Club luncheon Tuesday, when President H. Y. Benedict of Texas University delivered an address on astronomy. This learned man made his address so simple and entertaining that even so deep a subject as his was placed before his audience in a way that it could be comprehended. The talk was delightful in every respect and while he opened the minds of the listeners to the profound in his favorite subject, yet through his forceful illustrations and delightful comparisons all were able to grasp the gist of his lecture.

Serving to add pleasure to the luncheon were Miss Gladys Davis, pianist and vocal duets by Mrs. Harsha and Mrs. Nicholson with Mrs. Hurdle accompanist.

Graduates of the Texas University present as visitors were Judge J. A. Ralston, member of the first class to enter the university in 1883, Judge T. S. Robbins, County Superintendent, Judge Graham Gillis, Hon Jack Lewis and Hon. W. A. Morrison.

A PERSONAL WORD

I got hurt on the play and the Coach took me out of the game. They hit me hard. I always liked hard hitters. There is no zest in a battle when the foe is weak. They say I can't get back in the game during this quarter at all. So you see they tackled me powerful hard on that play.

These bodies of ours are frail things at best. Our obligation to medicine is measureless. Our doctors from their laboratories and scientific research are saving millions of mortals each year. But for anti-toxin I would now be somewhere pleading for a moratorium on the big debt. I am grateful.

A good doctor, a good nurse and kind friends close at hand and the faithful few of every mans life who cheer him on when he lies low, an ignoble casual of the fray. These have helped me over the hill. These I know to be good. Thanks.

J. B. WHITE, The Editor.

ENROLLMENT URGED IN RED CROSS ROLL

A nation-wide Roll Call for American Red Cross means relief for our home people as well as for others.

Response to the letters sent out by the local chairman, John C. Young, has been gratifying, but there are still a number of persons who have not yet sent in their enrollment fee.

It is important that this be done, as reports must be sent to headquarters at an early date.

Membership buttons should be returned if enrollment is not made.

County Recreational School In Session

The third annual Milam county Recreational School was in progress in Cameron Tuesday and Wednesday at the Baptist Sunday School annex, under the direction of the County Recreational Dinrector, Mrs. Kay Moore of Bryant Station. Mesdames Cecil Plate and Mabel Charles of Tracy were in charge, Tuesday during the absence of Mrs. Moore. Charades, plays and games were discusssed and greatly enjoyed during that session.

Wednesday, Mrs. Guido Gerbach of Bryant Station contributed an interesting talk on the campfire games and story telling. Miss Nada McAnulty, also of Bryant Station told of character building through recreation.

Most of the women's farm clubs of the county were represented during the meeting and fifty or sixty enthusiastic participants attended the sessions each day. It was the duty of the recreational directors of each club to attend the school in order that they might carry the teachings to their communities.

The aim of these schools is to promote recreational programs for the rural sections and during December each club will sponsor a community entertainment, plans for which will be made at meetings in the near future.

BAPTIST CHURCH

On next Sunday morning the pastor will begin a series of sermons on the subjest of "The Christ of the Last Mile." The first sermon will be "The Communion That Compels." Other sermons in the series are "Traveling A Lonely Road," "The Alabaster Box of Affection," "The Ploughman Who Did Not Look Back" and "The Last Mile the Longest." These sermons are not sensational, but are sober facts of the supreme life and work of Jesus. One who appreciates the finest art of living and who seeks perfection will want to examine the Christ of the ages.

Other services on Sunday as usual. We have a place for old and young, and we will give a real cordial reception to all. We believe in the integrity of our program, and invite you to share it with us. The week of prayer will be observed by the W. M. U. next week.

Visitors are always welcomed and our church wants and tries to be friendly and faithful and efficient.

The Pastor.

MOULTON COBB, EDITOR AT MISSION, MAY RUN FOR GARNER'S PLACE

The McAllen Press said editorially Sunday that Moulton Cobb, well known and aggressive editor of the Mission Enterprise, regarded by many as one of the outstanding weekly newspapers in Texas, is being groomed as a likely candidate to succeed Vice President elect John Garner as congressional representative from the Fifteenth Texas District.

Following is the editorial as appeared Sunday morning in McAllen paper:

"It has been suggested to us that none other than our friend Moulton Cobb, dynamic editor of the Mission Enterprise take a hitch in his belt and jump out on the track to make the race for congress as a successor to John Nance Garner. We believe if Moulton runs he'll get plenty of votes. For one thing he will work for the job because he's used that energy and enthusiasm on us recently demanding space for that Texas citrus fiesta of which he is publicity chairman. Cobb apparently has a good many friends down in these parts."

Cobb graduated from the University of Texas in 1926 with a bachelor of arts and bachelor of journalism degrees, serving in 1925 as editor of the Daily Texan, university newspaper, and in 1925 and 1926 as member of the university debating team.

Leaving the university he worked three years as city editor of the Bryan Daily Eagle and for the past three years has been editor of the Mission Enterprise. When telephoned this morning and asked if he would make the race Cobb was noncommittal. However, many of his friends feel certain he will run.

Failure to Supply Body With Essential Minerals Allows Excessive Acids to Destroy Health and Vitality.

Medical science, constantly searching for ways to prolong life, frequently come forward with startling statements of their findings, but no more astounding announcement has been made in recent years than the statement of an eminent Chemist who now declares that "There is no natural death. All deaths from so-called natural causes are merely the end point of progressive acid saturation."

Health authorities now agree that 91% of all diseases originate in the stomach and are caused by poor cooking, improper diet, and the eating of highly refined foods. Your doctor knows that the 11 essential Minerals and all Vitamins are contained in foods in their natural state and could he live with you constantly carefully select and prepare everything you eat, you would never need medicine of any kind. This being impossible science has been searching for years trying to compound a formula that would make up for the deficiencies of these vital elements—and at last their efforts have been rewarded.

AID TO NATURE

LEE'S MINERAL COMPOUND, a new and revolutionary formula, actually supplies the system with these vital elements so necessary to health and happiness. It contains the eleven essential Minerals in well balanced proportion, together with Vitamins, and is an invaluable aid to nature in the building of blood, bone, nerve and tissue.

NOTICE!

DELINQUENT TAX PAYERS

We desire to give notice to all people who are now delinquent in tax payments that December 31, 1932, is the final date on which to make payment of delinquent taxes without penalty and interest.

Senate Bill No. 44 of the Third Called Session of the Forty-Second Legislature released all penalties and interest accrued on delinquent taxes due the state, county and sub-divisions provided the taxes are paid on or before December 31st, 1932.

We would also suggest for you rconsideration that the voters of Texas hav e adopted by an overwhelming vote in the recent general election House Joint Resolution No. 24 which provides in part: "Provision shall be made by the first Legislature for the speedy sale, without the necessity of a suit in Court, of a sufficient portion of all lands and other property for the taxes due thereon, and every year thereafter for the sale in like manner of all lands and other property upon which the taxes have not been paid."

We do not discuss the merits or demerits of the Summary Sales Law but state that the law has the support of a large majority of the citizens of Texas.

We urge every property owner to pay up all delinquent taxes not later than the last day of the year.

If the public schools of this state should close tomorrow—what would you do?

Respectfully yours,

DIZZINESS
relieved by Black-Draught

"I decided to take Thedford's Black-Draught, as I had been having bilious spells," writes Mr. Charles E. Stevens, of Columbus, Ind. "When I get bilious, I feel sleepy and tired and do not feel like doing my work. It is hard to tell how I feel, but I do not feel good. I get awfully dizzy. I know then that I had better take something. After I found how good Black-Draught is, that is what I have used. I guess it rids me of the bile, for I feel better — don't feel like I am dropping off to sleep every time I sit down. That, to me, is a very bad feeling."
Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

SOCIETY

MISS MARY LOUISE ELLIOTT TO BE BRIDE OF WILLIAM BARNETT OF LAMPASAS AT CAMERON, THURSDAY, DEC. 1, 1932

Mrs. John A. Smith was hostess to a beautiful party Friday evening November 25th at her home 601 East 15th street. The home was attractively decorated with autumn foliage for the occasion. Orange colored candles cast shadowy lights over the scene where tables were laid for 42 games. Tally pads and score cards were in keeping with the event, featuring sweetheart designs, announced the approaching wedding of Miss Mary Louise Elliott to Mr. William Barnett of Lampasas, December 1, 1932. This was greeted with surprise and many good wishes were extended to the bride-to-be.

At the close of the games, the guests were invited into the dining room where the table was laid with a beautiful center collection of fruit and autumn leaves with tall burning tapers in orange color standing at either end and a wedding bell was suspended from the chandelier. A delectable desert was served; at this time cupid's messenger announced that cupid was paging Mrs. William Barnett. Litle Dorothy Ann Broussard entered the room drawing Cupid's Express laden with beautiful gifts which were opened by the receiver, who thanked them in her own sweet way.

Those present at the delightful occasion were: Miss Mary Louise Elliott, the honored guest, Mr. and Mrs. M. G. Cox, Mr. and Mrs. J. W. Coleman, Mr. and Mrs. O. L. Kidd, Mr. and Mrs. Judd Davis, Mr. and Mrs. W. O. Newton, Mr. and Mrs. W. J. Watson, Mrs. T. A. Fisher, Mrs. Geo. Cay; out of town guests: Mr. and Mrs. Cecil Criswell of Buckholts, Mr. and Mrs. M. J. Faulkner of Tyler, Mrs. John D. Hudson of Georgetown, Mr. and Mrs. J. Y. Stubblefield of Caldwell.

Misses Margaret Fisher, Winelle Kidd, Inez and Ann Margaret Smith assisted the hostess in her hospitalities.

FORMER CAMERON CITIZEN VISITS HERE

Mrs. Volney Reed of Austin was a Cameron visitor Saturday. She was dinner guest of her brother-in-law, Tom Sampson. She also visited her sister-in-law, Mrs. Martha Rogers in the home of Judge and Mrs. Jeff T. Kemp, and Mr. and Mrs. William Rogers. Mrs. Reed formerly made her home in Cameron, where her husband was a practicing physician. Before her marriage she was Miss Maggie McCown, daughter of the late Mr. and Mrs. Wiltz McCown.

HONORS FOR BRIDE TO BE

One of the most attractive events of the season was the "Tele-Vision" Radio Party given Tuesday evening by Mr. and Mrs. W. J. Watson as hostess and host and the Baptist Sunday School class and Miss Rosa Radtke as assistant hostesses, at the office of the Texas-La. Power Co. Under the direction of Miss Mollie Moore, the first reception room was attractively decorated with potted plants, handsome ferns and autumn foliage in tall pedestal and floor baskets, with autumn flowers lending a floral charm for the occasion which was in honor of Miss Mary Louise Elliott, who is to become the bride of William Wallace Barnett Thursday afternoon, Dec. 1, 1932, at the home of Mr. and Mrs. M. G. Cox at at five-thirty o'clock.

The following interesting program was rendered:

Request number, "The Sweetest Story Ever Told," Ray Duckworth, with Helen Flinn at the piano.

An amusing scene of the evening was the display of gifts by Rev. N. D. Timerman, M. G. Cox, Ray Burke, A. C. Strickland, John Hays and J. C. Mayfield, who were highly painted and dressed as women who were looking after their mid-week laundry, and hung many useful and attractive gifts on an improvised clothes line, creating much merriment.

One of the closing scenes was the opening of the many attractive gifts showered on the guest of honor, and was much admired by all.

The honoree thanked those present for the lovely evening and useful gifts of the occasion. Miss Elliott at one time had been a valued employe of the Texas-La. Power Co., and for the past few months had been with the law firm of Henderson, Kidd & Henderson as stenographer, and has many friends here who are interested in her happiness.

Beautiful hand made programs were passed to the guests which were given as souvenirs of the occasion.

Helped By Cardui

Here's the true story of how Cardui helped Mrs. H. E. Dunaway, of McComb, Miss., as written by herself:

"I was sick and rather discouraged. I was so weak and thin, I was not able to do my work as it should be done. This made me fret a good deal, and did not help my condition.

"I had pains across my back and lower part of my body. My nights were spent in rolling from one side of the bed to the other, hoping I would soon go to sleep. Then when morning would come, I would be just as tired as when I went to bed. A neighbor, seeing how badly I felt, told me to try Cardui. After I had taken one bottle, I was much better. I kept on taking Cardui, and I was stronger and slept much better at night."
